WELCOME TO THE FEBRUARY ISSUE!

When you're writing a feature for a car magazine like *Fast Ford*, it's all too

easy to overdo it with the superlatives – the most amazing, the nicest, fastest, quickest, lowest and the best ever – are all phrases that should be used sparingly. But when it comes to the Focus RS featured on the cover of this issue of *Fast Ford*, it really is no word of a lie to describe it as

having the best interior of any Focus RS ever made. Just look at it! Dripping in Alcantara and Nappa leather, and all perfectly framed by immaculate red

stitching. It really is incredible. But best of all, the rest of the car is up to the same exceptionally high standard. But for me, one of the stand out

features is that the owner, Adrian Thompson, has had the balls to do all this to a super rare and desirable RS500 model! While most 500s are wrapped up in feather lined 'carcoons', Adrian is busy sampling products and seeing how far he can push the boundaries of what can be done to such a coveted car!

We all love it, and think you will too.

Before you dive into the mag and sample its many delights, I'd like to take this opportunity to wish you all a very happy, prosperous and Blue Oval-shaped New Year!
